

Direct Integration Import Guide - Blackboard

Course Export Type

- [Course Package/Common Cartridge](#)
 - This is a standard .zip or .imsc delivery, which can be imported. These can be generated by anyone with access to the course by using “Export/Archive Course” under packages and Utilities.

Import Process

1. Go to the Blackboard course section into which you would like to import the Pearson content.
2. In your Blackboard left nav go to Control Panel > Packages and Utilities > **Import Package / View**

Logs

3. Click **Import Package**
4. Under the “Select a package” section, click **Browse My Computer** and navigate to your zip file.

Import Package

An Import package is a .ZIP file of exported Course content. Importing a package
Import packages do not include user enrollments or records, such as discussions.

SELECT COPY OPTIONS

* Destination Course ID 0123456789_6t

SELECT A PACKAGE

Click **Browse** to locate the course package:

Uploading large packages may take a long time.

* Select a Package

Browse My Computer

5. Under “Select Course Materials” choose the items you want to include in the copy, making sure that “Content” is selected.
6. Click **Submit**.

As always, if you have any questions please contact your Pearson Customer Success Integration Specialist (CSIS).
